Subject: 2008-09 Michigan Conference WMS Shares

Greetings,

The Lord has truly blessed the Michigan Conference this year. This is because of each church's contribution to the work of the Kingdom. It was announced during the Michigan Conference Branch WMS Executive Meeting that the finances will be maintained in the spirit of "accountability" and "transparency". Several procedures were initiated to reach this goal, such as providing receipts for share payments and detailed income statements.

To maintain consistency, the fiscal year for the Michigan Conference WMS is August 1 – July 31. Please contact us regarding the YPD Shares as well. **The deadline for shares for the 2008-09 Conference Year is July 31st, 2009.** We would like to thank the following churches for their full payment of their WMS Conference Shares.
